Commandments To Be Discussed

The Ten Commandments and the value of keeping them daily will be discussed Sunday in the Bible Lesson on "God" in all Christian Science churches.

This evocation of Paul from I Timothy (1:17) constitutes the Golden Text: "Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever."

"If you keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love."

Correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Jesus presented the ideal God better than could any man whose origin was less spiritual. By his obedience to God."

Church Club Gives Check to Torrance Hospital

A check for \$73 was presented to the Torrance Memorial Hospital by the Mr. and Mrs. Club of St. Andrews Episcopal church last week. The amount was one-half of the proceeds from the Pilgrimage Play film which was shown by the club in the Torrance High School last fall.

The money will purchase at least four new baby cribs for the hospital nursery, according to Miss Elsa Hammerstrom, superintendent of the hospital.

Pastor To Talk On Confidence

"Entering the New Year of Confidence" will be the title of the sermon to be given by Rev. U. S. Schauer, pastor of the Central Evangelical Unit Brethren Church, Marcellina at Arlington avenues on Sunday, January 7, at 11 a.m.

An evening worship service will be held at 7:30 with Rev. Schauer speaking on the topic: "Patching an Old Garment."

Guest speaker will be Mrs. Edna Gish, who for a number of years has been a missionary in China under the Mission Board of the Disciples of Christ. Mrs. Gish is now awaiting word to return to her work in the Orient.

Musical numbers including a solo by Mrs. Walter Levy will be presented as part of the program. A committee headed by Mrs. Phil Jensen is arranging the services. Mrs. John Conrad, president of the fellowship, will preside at the morning worship.

Reflections

By J. Hugh Sherkey, Jr.
"Charge It"

How little we realize the importance of these words, Fortune and good credit go hand-in-hand. A man's credit is based on how well he does his job and how well his wife manages his salary. A man who is conscientious in his work will be conscientious in meeting his obligations. A woman who is shiftless at home will be shiftless in paying her bills. A man who is always late for an appointment will be late in paying his bills. The person who gives a promise lightly, alibies when he should fulfill it, has a hard time building a good credit standing.

Good credit can bring wealth to the man who digs a trench or his wife who sits at a big desk. It can bring needed equipment to the auto mechanic or mouse trap manufacturer. It is the lubricant that keeps all business moving briskly. It is the magic that brings a new car to our door. It is the fairy wand for fur coats, television sets, new furniture. Our credit depends upon what we did yesterday.

Records compiled over those years mean a "Yes" or a "No" when we need a "Yes" most. Build a good credit standing and it will build you.
